

Community Gardens Application Form

The Northborough Community Garden will open for its seventh year on April 1, 2018. The Garden was funded through the Metro West grant and we are really excited about this venture.

There are many benefits to having a community garden. Here are just a few:

- Provide a catalyst for neighborhood and community development
- Stimulate social interaction
- Encourage self-reliance
- Beautify neighborhoods
- Produce nutritious food
- Reduce family food budgets
- Conserve resources
- Create opportunity for recreation, exercise, therapy, and education
- Reduce crime
- Preserve green space
- Create income opportunities and economic development
- Reduce city heat from streets and parking lots
- Provide opportunities for intergenerational and cross-cultural connections

Currently there are 30 garden plots located on Valentine Road. In order to meet the anticipated demand for the plots, they will be issued by lottery. Those who had plots last year are able to keep the same one if they pass in this application. All lots that are open will be put in a lottery for new applicants. Interested parties should complete the application form attached and mail it to the Recreation Department no later than February 13, 2018. These plots are for use by Northborough residents only.

Please mail your application to:
Recreation Department, 63 Main St. Northborough, Ma 01532

On February 14, we will choose applications at random and issue the garden plots to the families/organizations chosen.

You must be a Northborough Resident or Northborough affiliated organization to apply. Please call the Recreation Department at 508-393-5034 if you have any questions.
