ART PROGRAMS AT THE PAINTED PINK CAT STUDIO

register at www.northboroughrecreation.com

Looking for a crazy creative vacation art program? The Painted Pink Cat Studio is the place to be! We are excited about this dynamic studio art program. Over the course of one week, we will dive into the some of the following art techniques: drawing, painting techniques with acrylics, mixed media, clay art slab portraits, pottery, sand painting, monoprints and lino cuts, wood sculpture, pastels with chalk and oil, collage, 3 panel canvas art, and more! All supplies and materials will be provided. The styles of many famous artists and the seven elements of art will be studied in depth. Your child will leave with a portfolio that is uniquely their own. Please have your child wear old clothes that can get messy and bring a bag lunch (nut free please). Wait to see your child's inner artist go WILD!

Ages: 6-12
Days: Monday-Friday
Dates: February 19-23
Times: 10am-1pm
Cost: \$230
Location: Painted Pink Cat Studio at the San Francisco Gallery and Framing, 10 SW Cutoff, Northborough

ENGINEERING & ELECTRICITY CAMPS

With Wicked Cool for Kids

register at www.northboroughrecreation.com

Engineering, AM Session: In the morning, Wicked Cool Engineers will be put to the task of building things that move. We'll learn about the engineering and design process to build balloon powered cars, hovercrafts and aerodynamic flyers. We will create cars that zip down a ramp but keep a passenger safe. We'll also examine the science of how things move by looking at Newton's laws of motion. Kids should bring a snack and a water bottle.

Work It Circuits (Electricity), PM Session: In the afternoon session, kids construct basic circuits and experiment with insulators and conductors while learning about electricity. Each day we'll build new projects using the SNAP circuit system, integrating switches, bulbs, and other components for an electrifying time. Kids should bring a snack and water bottle.

Full Day Option: Kids can sign up for either half day option or full day, lunch will be supervised by WCFK staff.

Grades: 1-5
Days: Tuesday-Friday
Dates: February 20-February 23
Times: Engineering-9am-noon, Electricity-1-4pm
Location: Zeh School Cafeteria
