### WICKED SCIENCE WEEK

Offering a morning program, afternoon program, or combined full day program with supervised lunch.

**Anatomy Academy, 9am-12pm:** Attention future doctors! We'll delve into the human body's fascinating system of cells, tissues and organs. Create models of blood, skin and tour the digestive system. Build a working representation of the lungs and make a creepy cool model of the eye. Become a bonafide brainiac as we discover the inner workings of the human brain. Kids should bring a snack and a water bottle.

**Science Magic, 1-4pm:** How did you do that? Explore some fascinating science "magic" while we make water disappear, grow glowing cubes and reveal beasts that expand to 800 times their size. Create shimmering crystals that grow on a sponge. Watch colors change before your eyes and make balloons and toothpicks move using the power of science! Kids should bring a snack and water bottle.

**Grades:** 1-5  
**Days:** Tuesday-Friday  
**Dates:** April 17-20  
**Times:** 9am-12pm: Anatomy Academy  
1-4pm: Science Magic

\$262 for Full Day  
**Instructor:** Wicked Cool for Kids

### **SOCCER- APRIL VACATION WEEK**

**Ages 5 & 6:** Players learn the importance of a good warm up through fun games and activities. Coaches will develop the basic foot skills, passing and shooting through structured games with every player actively involved. Players will also learn the basics of soccer match play via 3v3 tournaments focusing on positions, start of play and dead ball situations. The games and matches develop safe play, teamwork, communication and interest in soccer while still having lots of FUN!!

**Ages 7 and above:** As players learn and grasp the basic fundamentals of soccer, focus can shift towards the WHEN, WHERE, and WHY, in order to get a better understanding of the game. The players will also develop their positional sense and spatial awareness in a tournament played at the end of every session. Players will be divided by age and skill level to ensure an appropriate environment for a challenging and fun week.

**Ages:** 5-14 years old  
**Days:** Monday-Friday

### **ALADDIN KIDS THEATER MUSICAL**

**Register for this directly at [www.skyrisetheater.com](http://www.skyrisetheater.com)**

This is a one-week intensive musical theater main stage production. At the end of the week, students will be a part of a fantastic theatrical experience. We will learn and produce a 40-minute musical with sets, costumes, choreography, and of course, fully memorized script and music!

SkyRise Children's Theater continues to bring the performing arts to thousands of children all over the MetroWest area for 8 years now! We have more than 25 years of experience in theatrical education, and personal performance. We love working with children of all ages, and we encourage the growth in one's ability to perform onstage and be comfortable off stage! We are dedicated to presenting fun and creative ways for children to express themselves. Through productions, theater camps, private lessons, and theatrical parties, children are motivated to be involved and confident in all aspects of the performing arts.
