PRESS RELEASE

Date: Tuesday May 19, 2020

Northborough, MA: Due to the uncertainty of the COVID-19 pandemic and public safety concerns, the Northborough Recreation Department's programming and recreation opportunities will be cancelled this summer. This difficult decision was made due to several factors, most importantly is the safety of the potential attendees and the staff for the camps. The uncertain environment related to COVID-19 and the unknown community status in the summer months makes it nearly impossible for staff to plan accordingly. Additionally, the timeframe and impacts of hiring and training many seasonal workers is unfortunately not achievable due to the current impacts of COVID-19 on Northborough.

Everyone who has already signed up for summer programs will be sent a refund check in the next few weeks. Our Department will be closing from June 12 – October. We will be back in November to start planning for next 2021's programming. More info specific to the programs you signed up for will follow soon.

The pavilion, splash pad and playgrounds will remain closed until further notice. Please note that the open space and parks are open for the public while wearing masks and keeping social distancing. Fields are still closed to organized sports until further notice.

Please keep up to date on all COVID 19 related issues on our town website:

<https://www.town.northborough.ma.us/> Thank you for your understanding and we look forward to serving you in 2021.

Allie Lane
